History dress up day!

We are really excited to be learning about our local history this half term! It's time for our termly History dress up day to celebrate our heritage! Our dress up day will be held on **Friday 24th November 2023.**

On this day, we would like the children to come dressed to reflect the learning they will have done in their History lessons. This will be a lovely opportunity for the children to share what they have learnt so far.

Nursery and Reception are learning all about significant events in their lives. **Please look out for a separate letter for all the details!**

Years 1, Year 3 and Year 5 will be learning all about the pottery industry.

Year 2, Year 4 and Year 6 will be learning all about the mining industry.

Costumes can be easily created using items of clothing you may already have around at home. Here are some ideas and pictures to give you some inspiration!

Potters	Miners

As always, we understand that some children may not feel comfortable dressing up. Please send them in their school uniform on this day.

We can't wait to see what you come up with!
