

## Year 2 Autumn Newsletter 2021

Hello Year 2! I hope you are all as excited as I am about the new school year!! I cannot wait to get to know you all and get started on our exciting Year 2 adventure. We are going to work hard but have lots of fun along the way.

If you have any questions please email me on [a.mee@crackleybank.staffs.sch.uk](mailto:a.mee@crackleybank.staffs.sch.uk) and I will get back to you as soon as possible.

Mrs Mee 😊

### Coming up this term....

#### English and Maths: T

In English this term we will focus very much on ensuring that we form our letters correctly, know our sounds, enjoy reading our fab stories together and write super sentences.

In Maths we will look at really knowing and understanding our numbers to 100 as well as securing addition and subtraction.

#### NOTICES

PE will be on a Wednesday. Please ensure that children come to school in their PE kit on a Wednesday. We may be outdoors at times so the children will need appropriate clothing please. All jewellery must be removed before coming to school on Wednesday.

**Homework** will continue to be set each Thursday on the website. I will text the link out to you each week.

**Reading Books** - need to be in school every day and will be changed as and when needed.

**Water bottles** - please make sure these are taken home each day, washed and re-filled ready for the next day.

#### Wider Curriculum

I am really looking forward to the children finding out all about our world in Geography - where we live, continents and oceans too, as well as learning about miners and mining in History. We will be focusing on our drawing skills in Art and moving vehicles in DT. Our Science topics are all about Living Things and Habitats as well as looking at the uses of everyday materials. In Computing lessons, we will focus initially on being safe online as well as developing our computer and technology skills. We will cover different what RE (Religious Education) is as well as thinking about our British Values and celebrating us as individuals. In music we will be singing (YAY!) as well as learning about rhythm and beat. In PSHE we will be talking about our school rules and routines as well as talking about friendships and how to be a good friend.
