

Year 2

Spring Newsletter 2026

Welcome back! I hope you have all had a good Christmas and are ready for the Spring term! We have lots of exciting things to look forward to!

If you have any questions or queries, please email me on m.phillips@crackleybank.staffs.sch.uk and I will reply as soon as possible.

PE will take place every **Monday**.

The children will need to come to school in their PE kits on this day and it can be worn all day. Hair must be tied back and all jewellery must be removed at home.

Water bottles need to be washed out and brought back to school filled with water everyday!

Reading is a part of our daily timetable, and all children need to have their reading books in school with them every day. Please continue to support us by reading at home.

What will we be learning about?

During the Spring term, we will be learning about living things and their habitats in Science. In **History**, we will learn about Queen Elizabeth I and Queen Elizabeth II. In **Geography** we will be learning about Kenya. In **Computing**, we will explore ways to stay safe online and how to sort data. In **Art**, we will be using our painting skills. In **Design and Technology**, we will be learning how to prepare food. In **Music**, we will be singing and exploring different sounds.

Our crucial knowledge can be found by following the link below:

Homework

Homework is given out on a Thursday.

It is due back in on the following Wednesday.

To help support your child's learning journey please ensure your child completes their homework and brings it back to school on time.

Don't forget to label your jumper, coats and water bottles, in case they decide to wander off!

Try to make at least three Maths Whizz progressions per week. Logins will be in the back of reading diaries.
