

Spring Term Welcome Back !

Hello and welcome back after the Christmas break! I'm really looking forward to officially joining year 4 and am excited about all the wonderful things we are going to learn this year. Should you need to speak to me about anything, or if you have any questions or concerns, please do not hesitate to contact me using my email address l.stubbs@crackleybank.staffs.sch.uk

Many thanks, Mrs Stubbs

What are we learning this term ?

In geography we will be expanding our knowledge of different countries around the world and comparing North and South America. This half term we are also delighted to have Stoke City Football Club's Premier League Primary Stars coach join us on a Thursday afternoon. During these sessions we will find out how to be ambitious, connected, fair and inspiring learners in our physical education.

As we move through to the next half term, our history topic will see us learning all about the Roman Empire. We even have a fabulous trip to look forward to at the Dewa museum in Chester!

Crucial Knowledge

Crucial knowledge is an important part of our daily school life. Please take the time to visit the website where you can find your child's crucial knowledge for this term under curriculum. I have added a link below for you to see what we will be focussing on this term.
