

Welcome back

Hello everyone! Welcome back ☺ I hope you have all had a lovely Easter break and have enjoyed the warmer weather!

We have lots of interesting learning during our summer term which I know you will all enjoy. We have new geography, history and science units to look forward to!

I'm looking forward to another great term of learning.

Mrs Pearce

During the Summer Term our unit for geography will be learning about settlements and land use. We have new crucial knowledge to learn and I know how much you like to show off how many facts you have been learning! Our history unit is the Mayans. We will be learning about who the Mayans were, how long ago they lived and explore where they lived and what they were good at!

Crucial knowledge is an important part of our daily school life. Please take the time to visit the website where you can find your child's crucial knowledge for this term under curriculum.

<https://www.crackleybank.staffs.sch.uk/>

Year 5 P.E. will take place every Tuesday. Children need to come into school in their kits and stay in them all day.

Remember that PE kit is plain jogging bottoms (grey/black - no zips/logos) and either their team colour shirt or plain white/black shirt.

Team coloured shirts are available to buy from school. Please ensure that children have suitable trainers/plimsolls as well.

Children must wear their long hair tied back and they will not be able to wear earrings. Plasters will not be accepted.

Homework

Homework will remain online on the school website.

It will be set on a Thursday and will need to be completed by the following Wednesday.

Please send your child in with a healthy snack for break time during the summer term.

Water bottles

Need to be in school every day. Bottles will need to be taken home and washed every day and returned to school the next day filled for the day ahead.

Swimming

Swimming lessons will be continuing every Wednesday from 27th April and our last swimming lesson will be 11th May 2022.
