

Art & Design - Year 6

Autumn 1

Drawing

- The area of the drawing a viewer sees first is called the 'single focal point.'
- 'Horizon' is a line that runs across the page from side to side to represent the viewer's eye level.

Spring 1

Painting

- Tertiary colours are equal amounts of primary and secondary colours.
- Neutral colours don't show up on colour wheel, e.g. white, black, beige.

Summer 1

Sculpture

- Clay can be manipulated by pinching, carving, impressing and coiling.
- Clay is hardened by removing the moisture – air drying or kiln.
- Glaze is the paint that is used on clay.
