

Crackley Bank Primary School

Reception Curriculum Overview

Our Reception curriculum is designed around children's developing understanding of themselves, their relationships, their community and the wider world. Through carefully chosen stories, experiences and meaningful interactions, children develop confidence, curiosity and a love of learning. Our curriculum builds strong foundations in communication, independence, resilience and respect, while providing opportunities for children to explore, question and make connections across all areas of learning.

	Autumn 1 Me, Myself and I	Autumn 2 Families and Festivities	Spring 1 Gruffalo and Friends!	Spring 2 Down on the Farm	Summer 1 Once upon a time...	Summer 2 It's a small world, or is it?
Overview	Building on their Nursery learning, children will explore what makes them special, their local community in Chesterton, and the important people within it. They will also develop their understanding of emotions and learn strategies to support their wellbeing.	This term, children will build on their Autumn 1 learning by exploring families, celebrations, and traditions. They will also prepare for their Nativity performance, developing confidence and communication skills.	Children will explore stories by Julia Donaldson, developing their love of reading, storytelling, and imagination.	Children will explore how things grow and investigate the life cycles of animals.	Through storytelling, children will develop vocabulary linked to past and present events and build their use of story language. They will also explore different materials and compare.	Children will explore the wider world by comparing our country with others, learning about different cultures, experiences, and animal habitats. They will also continue to recognise and discuss seasonal changes, looking at how to stay safe in the summer.
Trips/visits	Walk within the school grounds School Library	Meet Santa Post letters to Santa Church visit Pantomime visit	Gruffalo trail – Delamere forest (seasonal changes)	Farm visit Chicks in school	Once upon a Time role play village	Snugbury's Ice Cream
Role Play (outside)	Garage / car wash	Santa's Grotto	Gruffalo's cave in the deep dark wood	Farm/Flower shop	Café	Ice-cream shop
Role Play (Inside)	Home corner	Home Corner (add in photos of family, Christmas decorations)	Home Corner	Home Corner (add in plants, babies)	Home Corner	Home Corner (Add in DIY materials, paint samples etc)
Stories	Stories with Familiar Settings Wk 1 – Stories based on children's interest to support transition/settling in period eg.	Celebrations Wk 1 – Hello Autumn – Jo Lindley Wk 2 – The Best Diwali ever! - Sonali Shah	Same Author Wk 1 - Stick Man– Julia Donaldson	Predictable & Patterned Language Wk 1 - Farmer Duck – Martin Waddell & Helen Oxenbury	Traditional Tales and alternative versions Wk 1 - Goldilocks and the Three Bears - Miles Kelly	Cultural/Fantasy Characters Wk1 – Ben and Gran and the Whole Wide Wonderful World - Gillian Shields Wk 2 – Handa's Surprise - Eileen

(link to celebrations) Five currant buns Christmas songs – Little Donkey	Wheels on the bus Row, row, row your boat Seasonal Poetry	Old Macdonald had a farm. The Farmer’s in his den Five Little Ducks Seasonal Poetry	When Goldilocks went to the house of the bears Humpty Dumpty Jack and Jill Seasonal poetry	Five Little Monkeys The Animals Went in Two by Two Wind the Bobbin Up Seasonal Poetry
CAL	Listening and Attention Good Listening Rules Children develop their ability to listen carefully, follow instructions and engage in conversations with others. - Learn and practise good listening behaviours (eyes looking, ears listening, lips closed, body still, brain thinking). - Develop attention and focus during carpet sessions, stories,	Building vocabulary Words, Words, Words! Children develop a rich vocabulary through stories, conversations and meaningful experiences. - Learn and use new vocabulary linked to topics, stories and experiences. - Develop understanding of new words through discussion and play. - Describe objects, actions, people and feelings using	Speaking with Confidence Finding my Voice Children develop confidence in expressing their ideas, thoughts and feelings. - Speak clearly and confidently with adults and peers. - Express choices, ideas and opinions. - Use sentences to explain thoughts and experiences. - Develop narrative language through role play, puppets and small world play.	Understanding and Responding Listen to Understand Children develop comprehension skills by listening, questioning and responding. - Listen to and discuss stories, information texts and conversations. - Answer questions about what they have heard. - Make predictions and explain ideas. - Follow increasingly complex instructions.	Storytelling & Narrative Once Upon a Time... Children develop their imagination, storytelling skills and understanding of narrative structure. - Retell familiar stories using actions, props, story maps and role play. - Recognise story structures including beginning, middle and end. - Use story language and repeated phrases.	Communication for purpose Ready for the World Children develop purposeful communication skills to support independence, relationships and transition. - Use language to ask for help and explain needs. - Negotiate and collaborate during play. - Share ideas, opinions and experiences. - Adapt communication for different situations.

Reception Curriculum Overview

	- group activities and play. - Listen carefully to adults and peers. - Take turns in conversations, games and discussions. - Respond appropriately to what they hear.	increasingly detailed language. - Use new vocabulary in the correct context. - Talk about similarities, differences and connections between ideas	- Ask and answer questions. - Participate in discussions.	- Respond appropriately to adults and peers. - Recall and retell key information.	- Create their own stories and narratives. - Sequence events and explain what happens.	- Develop confidence when speaking to groups. - Prepare for transition through speaking and listening activities
Personal, Social and Emotional Development	Our PSED curriculum supports children's progression in Self-Regulation, Managing Self and Building Relationships, including developing emotional understanding, independence, resilience, positive relationships, empathy and respect for others. Areas will be revisited, built on and developed throughout the year.					
	Developing a Positive Sense of Self Children explore who they are, develop confidence and learn to recognise and manage their feelings. - Developing self-confidence and a positive sense of self - Recognising and expressing emotions - Building relationships and friendships - Learning routines, boundaries and expectations - Developing independence	Belonging and Relationships Children explore families, celebrations and the people who are important to them, developing respect and a sense of belonging. - Exploring different families and relationships - Developing a sense of belonging - Celebrating similarities and differences - Showing kindness, care and respect - Understanding and following shared rules	Friendship and Cooperation Children explore what makes a good friend and learn to cooperate, share and solve problems together. - Developing friendships - Sharing and taking turns - Listening and cooperating - Showing kindness and empathy - Resolving simple disagreements	Resilience and Independence Children develop resilience and independence through responsibility, problem-solving and opportunities to persevere. - Developing independence and responsibility - Persevering with challenges - Solving problems and trying again - Understanding choices and consequences - Managing frustration	Emotions and Empathy Children explore characters' feelings and perspectives, developing emotional understanding and self-regulation. - Recognising a wider range of emotions - Understanding how others may feel - Developing empathy - Managing feelings and impulses - Resolving conflicts peacefully	Celebrating Ourselves and Others Children celebrate their achievements, explore diversity and develop confidence as they prepare for Year 1. - Celebrating individual strengths and achievements - Respecting similarities and differences - Developing empathy and inclusion - Working cooperatively - Building confidence and resilience for transition
	Handwriting Approach - Children follow the Letter-join handwriting scheme, developing the physical skills, pencil control and letter formation knowledge needed for confident and fluent handwriting. Gross motor control through large movements and physical activities.					

Reception Curriculum Overview

Physical Development	- Fine motor strength and dexterity through daily provision. - Pencil control through pattern work and mark making. - Correct pencil grip and posture. - Letter formation using the Letter-join progression. - Increasing independence, accuracy and fluency when writing. Children take part in Squiggle While You Wiggle and other gross and fine motor activities to develop: - Shoulder and arm strength. - Large-scale movements. - Rhythm and coordination. - The movements needed for early handwriting.					
	PE links Gymnastics Fundamental movement skills Children develop awareness of their bodies and learn to move safely and confidently. - Develop fundamental movement skills. - Explore travelling in different ways. - Develop balance, coordination and body control. - Create simple movements and sequences. - Explore different shapes, positions and balances.	PE links Dance Fundamental movement skills Children develop confidence in using movement to express ideas and respond to music. - Develop fundamental movement skills. - Move in time with music and rhythm. - Explore travelling, jumping, turning and balancing. - Copy, remember and create simple movement sequences.	PE links Throwing and Catching Fundamental movement skills Children develop object control and coordination through practical games. - Develop fundamental movement skills. - Explore throwing and catching with different equipment. - Develop aiming and accuracy. - Practise rolling, bouncing and catching. - Work cooperatively with others in simple games.	PE links Ball Skills Fundamental movement skills Children develop confidence and control when using different types of equipment. - Develop fundamental movement skills. - Practise kicking, stopping and controlling a ball. - Develop hand-eye coordination. - Move with equipment safely. - Play simple team games and follow rules.	PE links Multi-skills Fundamental movement skills Children combine different physical skills and apply them in different situations. - Develop fundamental movement skills. - Combine running, jumping, throwing and balancing. - Complete obstacle courses and challenges. - Develop agility and problem-solving. - Work independently and as part of a team.	PE links Athletics Fundamental movement skills Children develop confidence, resilience and control through athletic activities. - Develop fundamental movement skills. - Practise running, jumping and throwing. - Improve coordination, speed and control. - Participate in races and challenges. - Celebrate personal achievements and effort.

Crackley Bank Primary School

Reception Curriculum Overview

	Move safely in a space and follow instructions.	Express ideas and emotions through movement.				
Literacy	Reading and Comprehension: - Develop a love of stories and enjoy joining in with repeated phrases. - Talk about characters, feelings and experiences. - Make predictions based on illustrations and story events. - Retell familiar stories using actions, props and story maps. - Develop vocabulary linked to emotions, families, homes and everyday experiences.	Reading and Comprehension: - Explore stories about families, celebrations and traditions. - Compare characters and experiences. - Learn and use vocabulary linked to celebrations. - Discuss similarities and differences between families. - Retell familiar celebration stories.	Reading and Comprehension: - Explore repeated patterns and rhyme. - Join in with predictable phrases. - Predict what might happen next. - Discuss characters' feelings and motivations. - Retell stories using story maps and actions. - Identify beginning, middle and end.	Reading and Comprehension: - Explore farm vocabulary. - Compare fiction and non-fiction texts. - Ask and answer questions about animals and farming. - Discuss characters and problems. - Recognise rhyme and repeated language.	Reading and Comprehension: - Recognise familiar story patterns. - Compare different versions of stories. - Discuss characters and choices. - Retell stories in sequence. - Use story language and repeated phrases.	Reading and Comprehension: - Explore stories from different cultures and places. - Compare characters and settings. - Discuss similarities and differences. - Use maps and images to support understanding. - Develop imagination through fantasy stories.
	Writing Opportunities: - Draw and label themselves. - Write names and familiar words. - Write simple captions about themselves. - Create "All About Me" books.	Writing Opportunities: - Write cards and messages. - Create shopping lists and invitations. - Write simple recounts of celebrations. - Label pictures and models.	Writing Opportunities: - Create character descriptions. - Write speech bubbles. - Make story maps. - Write captions and sentences.	Writing Opportunities: - Label farm animals. - Write animal facts. - Create farm maps. - Write instructions and recipes.	Writing Opportunities: - Write character descriptions. - Create story maps. - Write speech and thought bubbles. - Retell stories independently.	Writing Opportunities: - Write postcards from imaginary journeys. - Create fact files about places and animals. - Write stories inspired by favourite texts. - Write sentences independently.

Crackley Bank Primary School

Reception Curriculum Overview

	Begin to write simple sentences using their phonics knowledge.	Begin using finger spaces and full stops.	Innovate familiar stories.	Write simple explanations.	Write simple narratives.	Apply phonics knowledge confidently.
