Hello everyone, my name is Mrs Bourne, and I am very pleased to be your new teacher this year! I am new to the school having recently completed my teacher training after working in schools and nurseries for the last 15 years.

I look forward to meeting you when we return to school! I cannot wait for us to learn together and enjoy this new school year.

I live with my husband, three children and two cats. We love exploring different places together at the weekends and doing different activities, such as swimming, walking and going out for food.
