

History Day 2026 Friday 13th March

Grown-ups at home, that is mums, dads, nans, grandads, aunts and uncles. We would love your help (and think you may quite enjoy this journey too). For History Day this year Nursery and Reception would like to know what life was like when you were their age. What did you watch? What did you play? Where did you go on holiday? Please let us know by filling in the sheet attached, or if you like you can make your own poster of photos and pictures. Any photos that come into school will be looked after carefully and returned at the end of our exciting day.

We will be asking your child about what things you enjoyed, what you had for your tea, where you went on your holiday and making comparisons to what we have and do now. So please take time to sit and talk about the differences. I am sure they would love to see photos of you when you were 3, 4 or 5.

We have given you a few questions to start you off, you can add others if you would like to.

Please send your information back by **6th March 2026**, this will give adults in school to prepare any pictures or videos to share with the children on the day.

If you would like extra sheets for other members of the family, please let us know.

When I was 4 the year was...

What music did you listen to?
What was your favourite film?

What did you play?

What clothes did they wear?

What technology did you use?

What did you eat?
