

Name: _____

Please tick to say you have completed your reading too.

Task	Tick to say completed
1. It is important we read as often as we can – how many times will you read this week?	
2. Read and remember the tricky words below. You could also try and write them in a sentence.	
3. Draw ways to make 10.	

Read the word, copy it when, then cover it and write it again. Check to see if you have it right!

We have been working on making 5 and 10 in school this week. How many ways can you make 10? You can draw, write number sentences: $4+6=10$ / $10-6=4$. Or show us in a different way – maybe you could use your toys and send Mrs Norcup a photo of what you have done.

○ ○ ○ ○ △ △ △ △ △ △

$$4 + 6 = 10$$
